

Shatter-Safe Tempered Glass

Shatter-Safe Tempered Glass, exclusively from Vinyl-Lite, is a wise option for any window purchase. It has four times the strength of ordinary glass. If it breaks, it crumbles into virtually harmless pellets. There is no longer a need to worry about razor-sharp edges or points, and it is easy to clean up.

Shatter-safe Tempered Glass breaks into tiny harmless pieces.

Ordinary glass breaks into pieces with sharp edges and points.
